Investor Presentation

February 2021

CSE: BIGG OTCQB: BBKCF WKN: A2PS9W

Disclaimer

DISCLAIMER

This presentation has been prepared by BIGG Digital Assets Inc Inc. ("BIGG" or the "Company"). It does not purport to contain all the information that a prospective investor may require in connection with any potential investment in the Company. You should not treat the contents of this presentation, or any information provided in connection with it, as financial advice, financial product advice or advice relating to legal, taxation or investment matters.

This presentation does not include all available information in relation to the business, operations, affairs, financial position or prospects of the Company. No representation or warranty (whether express or implied) is made by the Company or any of its shareholders, directors, officers, advisers, agents or employees as to the accuracy, completeness or reasonableness of the information, statements, opinions or matters (express or implied) arising out of, contained in or derived from this presentation or provided in connection with it, or any omission from this presentation, nor as to the attainability of any estimates, forecasts or projections set out in this presentation.

This presentation is provided expressly on the basis that you will carry out your own independent inquiries into the matters contained in the presentation and make your own independent decisions about the business, operations, affairs, financial position or prospects of the Company. The Company reserves the right to update, amend or supplement the information contained in this presentation at any time in its absolute discretion (without incurring any obligation to do so) without any obligation to advise you of any such update, amendment or supplement. The delivery of this presentation shall not, under any circumstance, create any implication that there has been no change in the business, operations, affairs, financial position or prospects of the Company or that information contained herein is correct after the date of this presentation.

Neither the Company nor any of its shareholders, directors, officers, advisors, agents or employees take any responsibility for, or will accept any liability whether direct or indirect, express or implied, contractual, tortuous, statutory or otherwise, in respect of the accuracy or completeness of the information contained in this presentation, for any errors, omissions or misstatements in or from this presentation or for any loss howsoever arising from the use of this presentation. Any such responsibility or liability is, to the maximum extent permitted by law, expressly disclaimed and excluded.

This presentation does not constitute, or form part of, any offer or invitation to sell or issue, or any solicitation of any offer to subscribe for or purchase, any securities of the Company, nor shall it form the basis of or be relied upon in connection with, or act as any inducement to enter into, any contract or commitment whatsoever with respect to such securities. Under no circumstances should this presentation be construed as a prospectus, advertisement or public offering of securities.

FUTURE MATTERS

This presentation contains reference to certain intentions, expectations, future plans, strategy and prospects of the Company.

Those intentions, expectations, future plans, strategies and prospects may or may not be achieved. They are based on certain assumptions, which may not be met or on which views may differ and may be affected by known and unknown risks. The performance and operations of the Company may be influenced by a number of factors, many of which are outside the control of the Company. No representation or warranty, express or implied, is made by the Company, or any of its shareholders, directors, officers, advisers, agents or employees that any intentions, expectations or plans will be achieved either totally or partially or that any particular rate of return will be achieved.

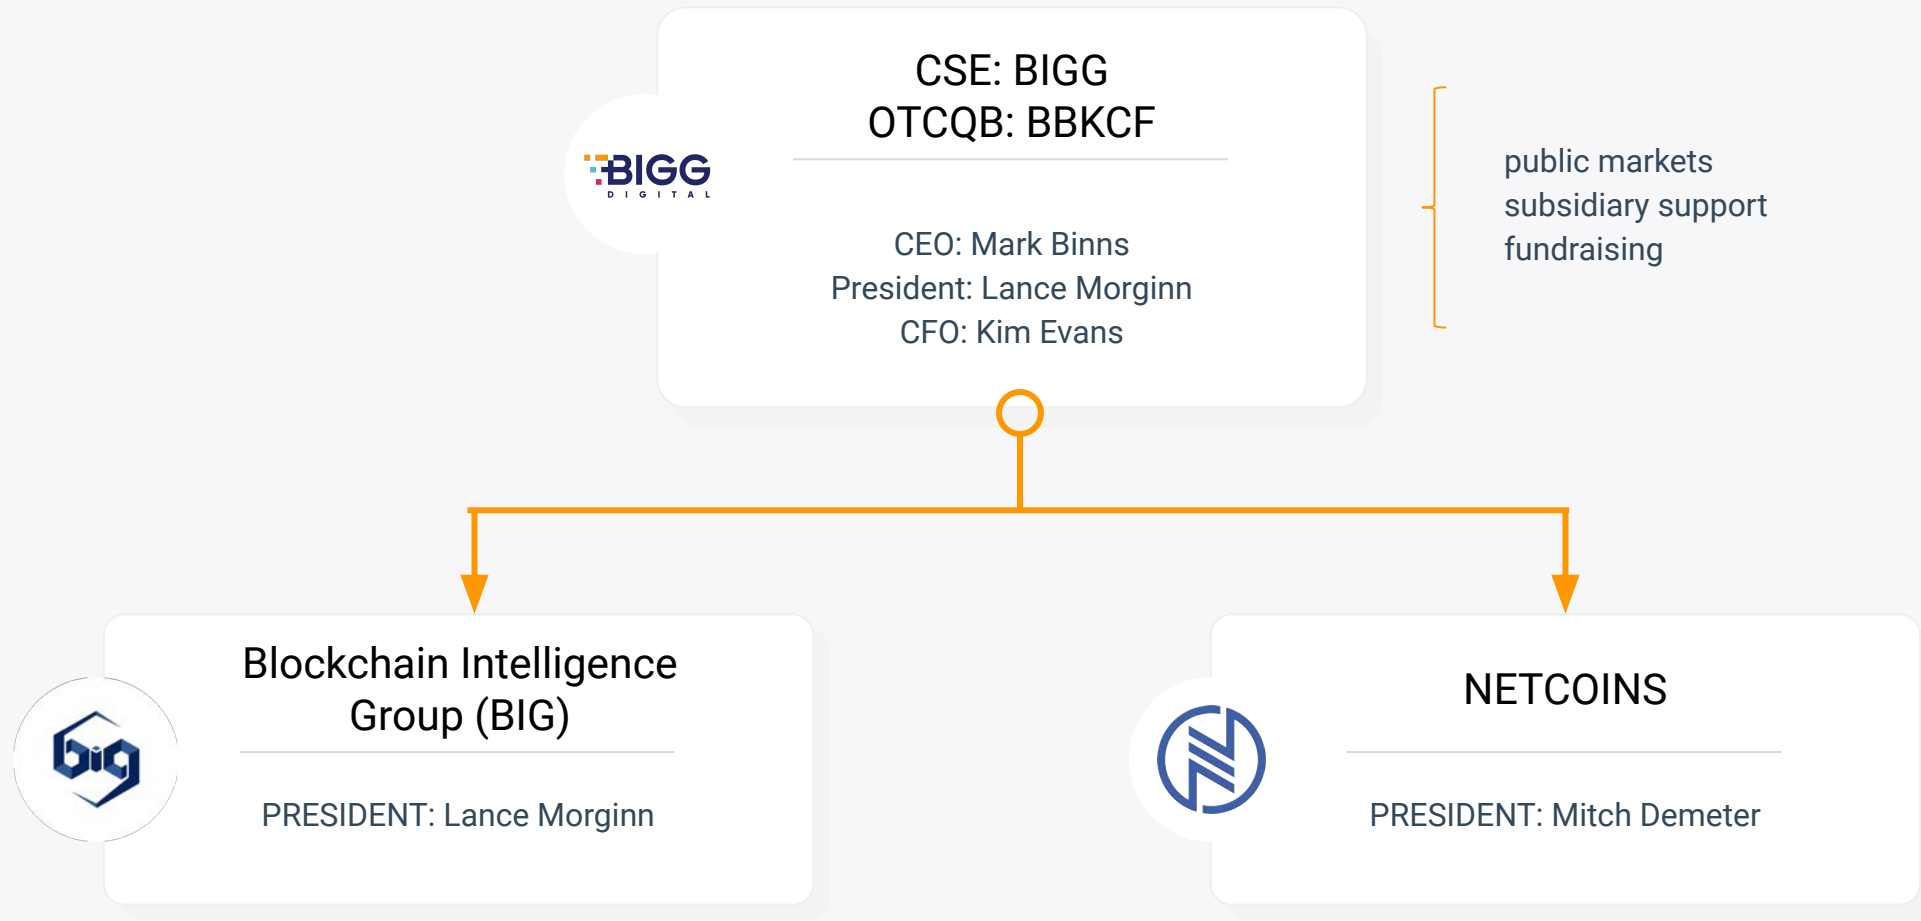

Given the risks and uncertainties that may cause the Company's actual future results, performance or achievements to be materially different from those expected, planned or intended, you should not place undue reliance on these intentions, expectations, future plans, strategies and prospects. The Company does not represent or warrant that the actual results, performance or achievements will be as intended, expected or planned.

CONFIDENTIALITY

Your receipt of this presentation constitutes your agreement, on behalf of yourself and your representatives, to maintain the confidentiality of the information contained in this presentation. Other than upon prior approval by the Company, any reproduction or distribution of this presentation in whole or in part, any disclosure of its contents or any use of any information contained in this presentation for any purpose is strictly prohibited.

BIGG Digital Assets Inc.

Meet The Team

Mark Binns

Chief Executive Officer
& Director

Mark Binns has 20+ years of experience building customer-driven sales and marketing strategies. Mark has founded, built, and sold two consulting companies that provided strategic advice on customer acquisition and revenue growth to Fortune 1000 technology companies including RIM, Cisco and Rogers.

Mark is a Dean's Honors graduate of the Ivey MBA program and Graduate of the Computer Science Honors program at Acadia University. Mark has led his companies to PROFIT HOT 50 and PROFIT HOT 100 awards, and was nominated by the Dean of the Richard Ivey School of Business for the prestigious business award of Canada's "Top 40 Under 40".

Lance Morginn

President & Director

With over 20 years of industry experience in technology-based startups, Lance brings a vast and proven track record for growing and developing multi-million-dollar businesses from the ground-up. His background includes roles as Founder/CEO/Director in several publicly and privately traded companies.

Kim Evans

Chief Financial Officer
& Director

Kim, founder of Golden Reign, is a Certified General Accountant with extensive experience in both the junior mining sector and the corporate securities industry. Ms. Evans has 17 years of experience as a director and/or officer, working with a number of public companies listed on the TSX Venture Exchange and Canadian Securities Exchange.

Robert Whitaker

Chief Operating Officer

Robert served in law enforcement for 23 years, including as a Supervisory Special Agent with Homeland Security Investigations (HSI), where he oversaw the program responsible for cryptocurrency investigations, training, equipment, analytical support, and investigative methodologies needed by HSI special agents worldwide. Robert is a Certified Bitcoin Professional.

Mitchell Demeter

President - Netcoins

Mr. Demeter is a serial entrepreneur with a vast range of experience. He is an expert at building strategic relationships and recognizing profitable opportunities early on. Mr. Demeter is a pioneering figure in the digital currency industry. Along with Jackson Warren, he brought the world its first bitcoin ATM and first physical bitcoin brokerage in 2013.

Mr. Demeter was also the co-founder of one of Canada's first cryptocurrency exchanges, responsible for business development, where he established several key global relationships and deep market liquidity.

BLOCKCHAIN INTELLIGENCE GROUP

BIG Mission Statement

Bring security and accountability to cryptocurrency with our trusted data-analysis and risk-scoring capabilities for blockchain/Bitcoin and other cryptocurrencies.

How We Help Mitigate The Risk

Developed tools to mitigate the risk associated with cryptocurrencies and is currently being utilized by **Law Enforcement Agencies Globally.**

QLUE™

Qualitative Law Enforcement Unified Edge visually tracks and reports on transactions in the blockchain. This service is designed for Law Enforcement, investigators, and compliance officers.

BitRank Verified®

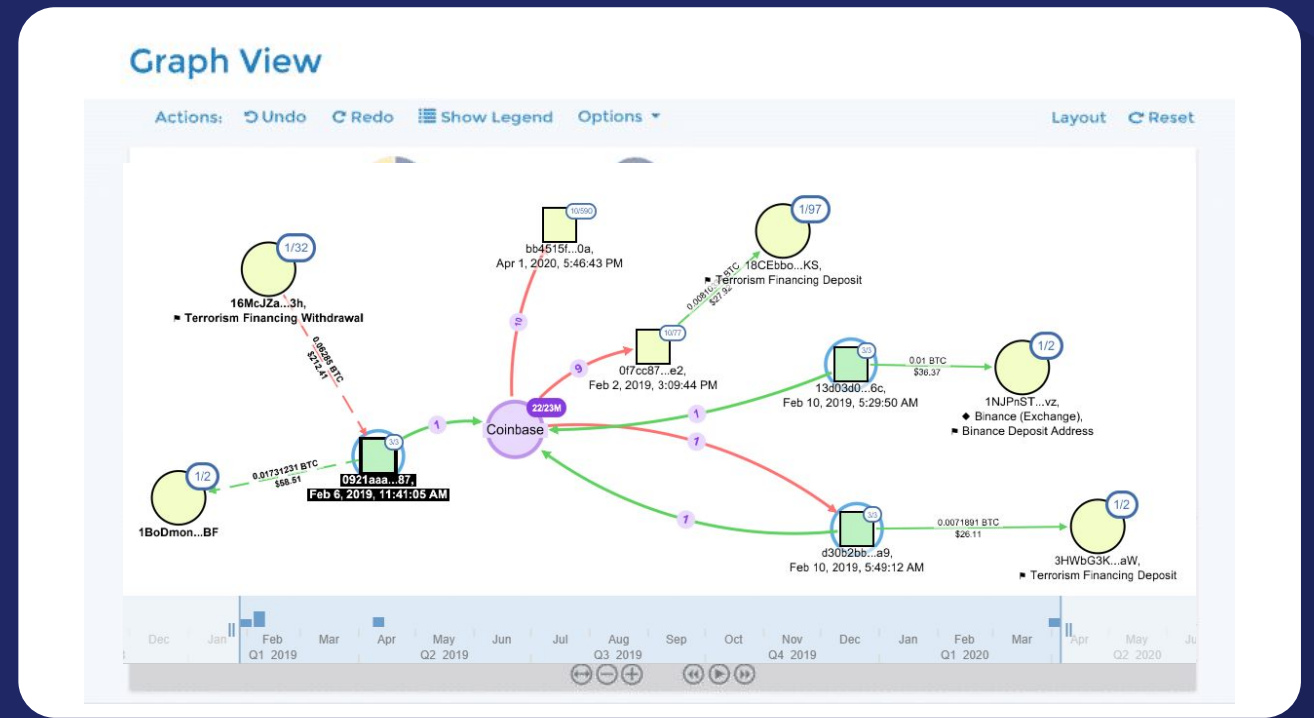

Provides a risk score for all Bitcoin/Ethereum blockchain addresses/transactions. Compliance suite offers review of all queries, offering the ability to generate enhanced due diligence reports. Other cryptocurrencies are being added.

QLUE™

Technology for Forensic Investigations

- Detects suspicious cryptocurrency activity
- Tracks, traces and monitors transactions
- The engine behind BitRank Verified® data points

BitRank Verified®

Risk scoring for:

- Financial Institutions
- Cryptocurrency Exchanges
- Bitcoin ATM Operators
- Audit Firms
- Retailers
- Funds

Tight Competitive Space - Global Market

This multi-billion dollar emerging market has very few competitors. The barriers to entry are very high. BIG is positioned to take a significant share of the market in 2020+.

Netcoins Vision

To be the Canadian leader in making the purchase and sale of cryptocurrency easily accessible to the mass consumer and investor through **compliant and regulated** brokerage services

The screenshot displays the Netcoins user interface. On the left is a sidebar with navigation links: Dashboard, Fund, Buy / Sell, and Withdraw, along with a 'Refer: Get \$10' button. The main content area is titled 'Balances' and shows a total portfolio balance of \$2,391.78 CAD. Below this, four asset cards are visible: Canadian Dollar (\$1,685.00 CAD), Bitcoin (0.00292943 BTC), Ethereum (1.52 ETH), and Ripple XRP (0 XRP). Each card includes its respective icon and a small price breakdown. Below the balances is a referral banner offering CAD\$10.00 to both the user and a friend upon a successful referral. The bottom section, 'Transactions', lists recent activities in a table.

DATE	ACTIVITY	EXPORT
Mar 31, 2020	Deposited 0.00200001 BTC	
Mar 12, 2020	Bought 0.01812937 BTC for \$150.00 CAD 1 BTC = \$8,273.83 View Details	
Mar 12, 2020	Bought 0.00963190 BTC for \$100.00 CAD 1 BTC = \$10,382.24 View Details	

The Future: Compliant and Regulated Crypto Trading

By working WITH regulators,
Netcoins aims to lead the
regulated crypto trading space
in Canada.
